Sub: Utilization of Unspent Balance of Conferences

Consequent upon the approval by the competent authority, after creation of the post of Dean (CEP), and CEP Support Charges, henceforth, the unspent balance of conferences would be distributed in the same ratio as the Research Project overhead is distributed i.e., 60% to CEP Support Charge, 20% to DDF and 20% to PDF of the PI. However, the 60% of the unspent balance will be transferred to the General Maintenance Fund (GMF) instead of CEP Support Charges.
