Sir:

Please find the point wise reply to the Rajya Sabha Unstarred question No. 535 to be replied on 07.02.2019

A) IIT (ISM) has successfully provided more than 60% placement to its graduate students (B.Tech) from 2014 to 2018. Please find below the placement statistics for the last 5 years.

Year	Total UG Strength	Total UG students placed	Percentage UG placement
2013-2014	637	410	64.36
2014-2015	685	542	79.12
2015-2016	711	547	76.93
2016-2017	799	578	72.34
2017-2018	817	592	72.46

B) NA as the placement since 2014 has been more than 60%.

C) The following proposal has been suggested to provide 100% placement to the students:

1. Technical institutes should emphasize on the overall development of the students that includes improving soft skills, communication skills of the students.
2. Institutions should collaborate with industry for live projects that would give exposure to industry related problems to the students.
3. Institutes should identify and invite the companies from emerging sectors to give more opportunities to the students.
4. Institutes should regularly upgrade the curriculum to best suit the industry requirements.

D) Not Applicable

REPLY FOR UNSTAARRED QUESTION NO 78 OF SHRI MUTHAMSETTI SRINIVASA RAO
REGARDING IIT STUDENTS (Due for answer on 4th February 2019)

S No	Question	Reply
A	Whether the Government has suspended Indian Institute of Technology (IIT) First year students for not performing well in the exams	Under the IIT system, the students are evaluated on six monthly semester basis. The first year students are required to complete their academic requirement of first two semesters within a maximum period of 2 years. The students unable to complete first year courses within a period of 2 years time, their names are struck off from the institute rolls on the approval to the Senate. Such students willing to continue study may be allowed to continue their study on case to case basis.
B	If so, the details and reasons therefor	Some students' names were deleted in the past who couldn't pass their first & second semester within the stipulated time period.
C	The remedial measures taken/ being taken by the Government in this regard?	With the implementation of Choice Based Credit System (CBCS), the students are allowed to clear their backlog papers in the subsequent years and will get more chances to clear backlog papers. The new system is choice based and time saving for the students. More focus is given on weak students by arranging special classes to facilitate them to clear back papers.
