NOTIFICATION

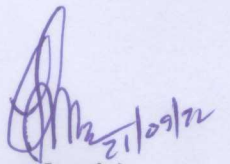

CONDUCT OF PH.D. ADMISSIONS TWICE IN AN ACADEMIC YEAR
AND
CHANGE OF PROCEDURE FOR ALLOTMENT OF PH. D. SUPERVISORS.

The Senate in its 24th meeting held on 14th September 2022 has approved to conduct the Ph. D. admissions twice in an academic year and change of procedure for allotment of Ph. D. supervisors.

The following modalities will be followed for the conduct the Ph. D. admissions twice in an academic year and change of procedure for allotment of Ph. D. supervisors:

1. Ph. D. admissions will be conducted twice in an academic session – once at the beginning of the Monsoon Semester (Phase I) and another at the beginning of Winter Semester (Phase II). The admission will be conducted for Institute Assistantships, Sponsored, Externally funded and Part-time students in both the phases.
2. To maintain uniformity in the process for allotment of supervisor(s) to the admitted students, during both the semesters, the allotment of the guide(s) will be made after the admission process is completed and within five working days of the physical registration of the new students. This will be followed for the students admitted in the Winter Semester of 2022-2023, and subsequently after each phase of admission in Ph. D. For the students admitted in the Monsoon Semester of 2022-2023, the existing practice of allotment of supervisors at the end of the 1st Semester based on the CGPA of the students will be followed.

The above modalities will be effective from Winter Semester 2022-23.
