The Senate in its 24th meeting held on 14th September 2022 has approved the following:

- A. The **Post Graduate (PG) students** are allowed to register any Departmental Compulsory (DC) course across the departments offered as an Open Elective (OE) course for completion of OE credit requirements from Winter Semester 2022-23.

The following conditions are to be followed while registering for the same:

- B. The allotment of ESO/OE/DE shall be done based on the **current CGPA (i.e. CGPA at the time of pre-registration)** of the students in order to provide them sufficient time to both verify their allotted courses and perform Add/Swap for Double Degree/Double Major/Minor.
