Engineering, IIT(ISM), Dhanbad-826004**

ABOUT THE SEMINAR

The Department of Management Studies and Industrial Engineering, Indian Institute of Technology (Indian School of Mines), Dhanbad, will host a seminar on "Inclusive Development and Intergenerational Mobility" in order to examine and investigate the intricate connections among economic development, social inclusion, and intergenerational mobility, the seminar will bring together renowned experts, academics, and students.

To encourage inclusive growth and end the cycle of poverty, the seminar will give participants a forum to have important conversations, exchange research findings, and pinpoint viable solutions.

OBJECTIVES OF THE SEMINAR

- The impact of economic inequality on intergenerational mobility
- Strategies for promoting inclusive development and reducing poverty
- The role of education and skill development in enhancing social mobility
- Policy interventions for addressing the challenges of inclusive development
