Item No. 11.08	To discuss the modalities for evaluation of answer scripts answered in language other than English.
-----------------------	--

It was informed to the members that a first year student of B Tech has answered the mid semester examination partly in the Hindi language for the paper Earth Science Modular (GLI101) course. Since the medium of instruction at IIT (ISM) Dhanbad is English, the Senate was requested to take a policy decision for evaluation of the same.

After deliberations, it was decided that evaluation of answer books should be as per the provisions in the UG Manual only. As per UG Manual Rule 7.1 the Medium of Instruction at IIT (ISM) Dhanbad is English. Therefore, the answers written in languages other than English language need not be taken cognizance of and the part written in language other than English may not be graded.
