

Advertisement for the Students to Enrol for the Workshop:

कार्यशाला (High - End Workshops) “KARYASHALA”

‘KARYASHALA’ is an effort to improve research productivity of promising PG and young PhD scholars from universities and colleges through high-end workshops that is going to cover various topics such as machine learning, artificial intelligence, optimization and statistical techniques, data driven strategies, neural network hardware implementation, PCA, game theory and exploration of graph structured data related with the data science analytical tools and techniques. The workshop is going to be conducted online due to the current pandemic situation in the country. The workshop duration will be for one week and the lecture will be delivered by the dynamic and pragmatic faculties from various IIT’s coming from distinguished disciplines. This program aims to educate, enrich, and equip promising post graduate and young researchers with the data analytics tools and techniques through interactive sessions, and provide hands-on experience to carry out high-end scientific research in the area of decision sciences. The workshop will primarily be supported by the Government of India, SERB through Accelerate Vigyan Scheme (AVS) and facilitated by Indian Institute of Technology (ISM), Dhanbad. The performance of the participants will be judged through quizzes and attendance in the workshop session, and completion certificates will be issued for them. The participants do not have to pay any amount to attend this workshop.

An interested student can register themselves on the given link:

<https://docs.google.com/forms/d/e/1FAIpQLSdrWHRC4q22Kywzp0mnDvGZnlGLhPdKIMus9-wGLqGs0JoGmg/viewform>

The students will be selected based on their academic performance. In the selection process, the focus will be given to the enthusiastic, motivated and underprivileged students and young researchers coming from the backward society of India. Women participation will be encouraged. We have limited seats!!! so hurry up and quickly register on the given link. The deadline for the registration is 15th June, 2021 till 5 PM in the evening. Please send your query on the following email id: rashmis@iitism.ac.in related to the workshop. The date for the workshop and its schedule will be shared with the students who are selected for the program.
