Branch Change Notification (2021-22)

The eligible students who have been permitted to change their branch for the session 2021 – 22 are attached. The new branches to the concerned students have been allotted on the basis of 2nd semester CGPA, strength constraint of the Branch/programme and abiding by the rules of Branch Change [NOTIFICATION No. 639004/S-10/Branch Change Rules/2019 Date: 11.10. 2019].

Please note that by adopting the reservation policy for branch change, it is ensured that the seats which are reserved for students of particular categories, have been allotted to students of the respective categories, only. In doing so, sometimes this type of reserved seats are allotted to students with lower CGPA, but not to the students of other categories with higher CGPAs.

Grievances (if any) related to branch allotment should be e-mailed directly to chairman_jeea@iitism.ac.in only through the Institute e-mail id on or before 12.08.2021 by 5:00 PM.

No grievance will be considered if submitted from any other email ids and/or after the specified date and time.

Students who have been permitted to change branch to any of their opted branches, are required to redo their pre-registration for the Monsoon Semester 2021 – 22, which will be notified separately by the Academic Section.
