

WEB IT UP: Thesis Management System (TMS) Software Design Contest-2021

Naresh Vashisht Centre for Tinkering and Innovation, IIT (ISM) Dhanbad invites students of all the engineering colleges of Jharkhand to participate in WEB IT UP.

Web It Up: Thesis Management System (TMS) Software Design Contest-2021, is a software development challenge, exclusively for student teams from engineering institutes of Jharkhand. The Contest is being organized to empower the creative, technically proficient & future business-savvy web professionals within the engineering communities of the Jharkhand State.

Student teams have to design and develop fully functional software for **Ph.D. Progress Monitoring & Thesis Processing (Annexure-I)** to capture the whole life cycle of Ph.D. student thesis from request for supervisor, comprehension to thesis defense as governed by **PG manual of IIT (ISM) Dhanbad**.

ELIGIBILITY: Engineering students of any discipline and course from the Jharkhand State's engineering institutions.
