INDIAN INSTITUTE OF TECHNOLOGY (INDIAN SCHOOL OF MINES), DHANBAD
Office of the Dean (Academic)

No: IIT(ISM)/DAC/1073

02 January 2026

NOTICE

Submission of Ph.D. Thesis upon completion of 03 years

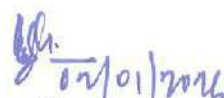

Keeping in view the academic interests of the Institute as well as timely career progression of the Ph.D. scholars, the minimum residency period required as eligibility criterion for submission of Ph.D. thesis for evaluation was reduced to 03 years from the date of admission, subject to fulfilment of other eligibility criteria.

In this context, all scholars who joined the Institute in the year 2022 and before, who have fulfilled the pre-submission criteria, are requested to submit their duly completed PH 6 Form through proper channel in academic section **by 15 January 2026** so as to obtain timely clearance to deliver their pre submission seminar.

All Ph.D. scholars who have completed 03 years of academic program are also required to submit the required publication / patent details through the google form link given hereunder **positively by 15 January 2026** -

https://docs.google.com/forms/d/e/1FAIpQLSfaH6FMyxbe_IQHoMteyqHrPAHonBtLVwSQO_CxG99xbOYfAg/viewform?usp=header

The respective Supervisors are also requested to ensure timely submission of the above-mentioned information by their Ph.D. scholars (i.e. positively by 15 January 2026).

NOTIFICATION

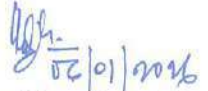

REGARDING CONDUCT OF TUTORIAL CLASSES

Apart from developing the problem-solving skills, the tutorial classes should also focus on idea generation and product/process development in the areas related to the course.

The idea is to foster innovation resulting in tangible impact on fundamental, applied and or translational/societal aspects etc.

The students' ideas selected and endorsed by the course instructors for further exploration/hand holding/research/development etc, should be enlisted and shared with the respective HoDs.

The respective HoDs will consolidate the department wise list of endorsed ideas for onward submission to Dean (IIE) / Dean (R&D) as deemed appropriate.

MODALITIES IN LEAVE RULES FOR UG STUDENTS

The Senate in its 39th meeting modified the leave rules for UG students for the following leaves:

i. **Short leave:** To increase from 5 working days to 10 working days in the regular semester and to increase from 3 working days to 5 working days in the summer semester.

ii. **Medical leaves:** To increase from 5 working days to 10 working days in the regular semester and to increase from 3 working days to 7 working days in the summer semester.

NOTIFICATION

MODALITIES OF INDUSTRIAL INTERNSHIP IN THE WINTER BREAK

The Senate in its 39th meeting approved the following modalities regarding industrial internship in winter break:

1. The Industrial Internship may be allowed during the Winter Break to the Post Graduate students irrespective of their current status of the semester.
2. The request of the Industrial Internship should be submitted to the Office of Dean Academic through proper channel, as mandated in the PG8 form.
3. The Institute's Fellowship may be continued to the eligible M.Tech students in case of no Financial Assistantship is provided by the Organization/Institution where the student joins the Industrial Internship.
4. For the students of Department of Applied Geology and Applied Geophysics, the field training during winter break must be completed first before going on industrial internship during winter break.

NOTIFICATION

MODALITIES REGARDING SUMMER SEMESTER

The Senate in its 39th meeting has recommended the following modalities for summer semester examinations:

- Only End-semester examination of 50% weightage will be conducted in the summer semester. Marks of mid-semester examination (30% weightage) and quizzes (20% weightage) will remain same as obtained in the regular semester. Further, grading range will also remain same as was followed for the course in the regular semester.
- Students who withdraw from a course or who drop a course in a semester will not be allowed to take that course in Summer Semester.
- Maximum grade allowed will be restricted to B.

NOTIFICATION

**CLARIFICATION REGARDING COMPLETION OF ACADEMIC PROGRAM WHILE
BEING ON FULL-SEMESTER INTERNSHIP ALLOWED IN LIEU OF UG PROJECT 2**

UG students who have been allowed to enroll for full semester internship in the final semester may note that all academic requirements need to be fulfilled by them for timely completion of their academic program. The same was mentioned in the UG2/UG1 form submitted by them as well as in the NoC issued to such students.

In this regard, it is clarified that apart from being present for examinations, all such students need to be present for project / internship report presentation and evaluation scheduled by their respective departments as per the schedule given in the academic calendar. Failing to do so will lead to the extension of the academic program to the next semester/ academic year.

INDIAN INSTITUTE OF TECHNOLOGY (INDIAN SCHOOL OF MINES) DHANBAD

OFFICE OF THE DEAN (ACADEMIC)

No. IITISM/DAC/ 1166

18th Mar 2026

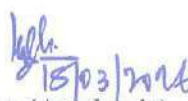

NOTIFICATION

CHANGE IN THE MODALITIES TO ALLOW FINAL YEAR MBA AND MBA (BA) STUDENTS TO JOIN ONE SEMESTER INTERNSHIP IN LIEU OF TERM PAPER

The Senate in its 40th meeting has approved the final year MBA and MBA(BA) students to choose either Term Paper or Internship (instead of only Term paper) of the same credits.

Students will be allowed to complete one full semester internship in lieu of MBA/ MBA(BA) Term Papers without any prior requirement of completing the remaining courses of that semester in advance. The internship as well as courses can be done simultaneously in a semester owing to the recent change in attendance policy. Evaluation of the Term Papers will be done based on the Internship report and presentation.

It will solely be the students' responsibility to complete their academic program in time duly fulfilling all the necessary requirements, if they go on a full semester long internship. The Institute will not be responsible for any delay in fulfilment of academic requirements of such students.

NOTIFICATION

PROVISION ON INTERNSHIP IN M.TECH PROGRAM AS PER RECOMMENDATION OF IIT COUNCIL

The Senate in its 40th meeting has approved the following provision regarding internship in M.Tech program as per recommendation of IIT Council:

PG students are allowed to choose Project or Internship (Industry / Research Internship) in lieu of Thesis. In M.Tech, this provision will be available for both the semesters in the final year and there will be two independent projects/dissertations in case a student does two projects/dissertations.

PH.D PUBLICATION CRITERIA FOR PH.D PRE-SUBMISSION CLEARANCE

The Senate in its 40th Senate meeting approved the Ph. D publication criteria for Ph.D submission clearance effective for the PhD scholars admitted on or after 1st January 2026, any one of the following three criteria will be followed for the clearance of pre-submission seminar:

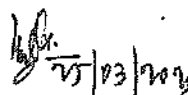

1. At least one research paper is published in Q1 Journals mentioned in Group I
2. At least one research paper is published in Q2 Journals mentioned in Group I and one more research paper is published in journals mentioned in Group II.
3. Three papers are published in journals mentioned in Group II [OR] Two papers are published in journals mentioned in Group II and One published patent [OR] One paper is published in journals mentioned in Group II and two published patent.

GROUP I JOURNALS:

- i. Q1/Q2 Journals of JCR as per JIF/JCI based Web of Science (WoS) ranking [For all departments].
- ii. SSCI Q1/Q2 journals based on JIF/JCI or SJR Q1 Journals [For HSS department].
- iii. Q1/Q2 Journals of JCR as per JIF/JCI based Web of Science (WoS) ranking or in ABDC ranked A*/A quartile journals [For MS&IE department]. ABDC ranked 'A*' quartile journals will be considered as equivalent to Q1 and ABDC ranked 'A' quartile journals will be considered as equivalent to Q2.

GROUP II JOURNALS:

- i. SCIE (Applicable for all departments).
- ii. ABDC (Applicable for MS & IE).
- iii. SJR/A&HCI (Arts & Humanities Citation Index)/SSCI (Social Sciences Citation Index) [For HSS department].

NOTIFICATION

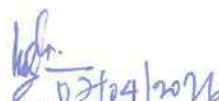

**EXIT FEEDBACK REQUIRED TO BE SUBMITTED BY THE
FINAL SEMESTER UG/PG STUDENTS**

The graduating UG and PG program students appearing in their final semester examinations scheduled to be held in April 2026 are required to submit their **Exit Feedback**.

The exit feedback can be submitted only until **23 April 2026** online through Institute MIS account (MIS Login--->Student--->CBCS/NEP Feedback--->Exit Feedback). The students who are outside on internship after taking due approval/NoC from the O/o Dean (Academic) are also required to submit it if they are coming back on or before 23rd April 2026.

Kindly note that the final semester result may be displayed on MIS/ABHIKALP only after successful submission of the exit feedback.

In case of any technical issue, the respective UG/PG students may write latest by 11:00 am on 23 April 2026 to reg_ug@iitism.ac.in / reg_pg@iitism.ac.in respectively, as applicable, along with the screenshot of the issue being faced.

NOTICE

**Submission of Online Student Feedback for Theory & Practical Courses
offered during Winter Semester 2025-26**

Student feedback is a mandatory activity that helps us improve the teaching-learning process when the responses are independent and well considered. The Institute ensures that the anonymity of the student feedback providers is duly maintained while sharing the summarized feedback with the respective course Instructors.

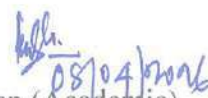

The time window to submit the mandatory online student feedback for **theory** and **practical** courses registered by students during the Winter Semester 2025-26 is from **10 April 2026** to **23 April 2026** online through **Abhikalp** portal (Student → Feedback V3 → CBCS/NEP → Semester Feedback).

Kindly note that the **result** and **grade card** of students **who fail to submit the online feedback** during the above specified period will not be generated on the MIS and it may also affect their **application for scholarships/financial assistance**. Further, a fine of **Rs.1000/-** will also be applicable on such students. The students who are outside on internship after taking due approval/NoC from the O/o Dean (Academic) are also required to submit this feedback if they are coming back on or before 23rd April 2026.

Students are advised to complete this activity promptly and refrain from waiting until the last date. In case of any **technical issue** being faced during submission of feedback, the concerned student must intimate the same along with the screenshot of the issue, to **reg_ug@iitism.ac.in / reg_pg@iitism.ac.in / reg_phd@iitism.ac.in**, as applicable in case of UG/PG/Ph.D. students respectively, not later than 1:00 pm on 23 April 2026.

The issues reported to any other email ids or requests received after the aforementioned time and date will not be responded to by the Institute.

Part-Time Ph.D. scholars may ignore this notification.

Dean (Academic)

Note – Kindly download and preserve the feedback receipt for future references.

NOTICE

**EXAMINATION NOT ALLOWED WITHOUT HALL TICKET OR
WITHOUT COMPLETE REGISTRATION**

All registered students appearing for end semester examinations are advised to carry their hall ticket to appear in the Examination. Students whose names do not appear in the attendance sheet downloaded from MIS/Abhikalp or students who are without hall tickets will not be allowed to appear in the examination. Students who have not completed their registration for a semester are also not eligible to sit for examination of that semester. Their registration will be dropped any time without any further notice.

Even if any such student appears in any examination somehow, the course instructors concerned are not required to evaluate answer sheet of such students and must report such cases to office of Dean (Academic) before submission of marks.

For information and compliance of all concerned with immediate effect.

NOTICE

PRE-REGISTRATION FOR MONSOON SEMESTER 2026-27

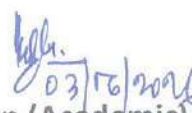

All existing students including Ph.D. scholars who are registering for Monsoon Semester 2026-27 may note that the **pre-registration** is required to be done by them **online** through the **pre-registration portal** (<https://pre-registration.iitism.ac.in/>). Only after successful pre-registration, the students will be able to pay the fee for MS 2026-27 during the period specified for the same (refer academic calendar for AY 2026-27 uploaded on the academics webpage of the Institute website).

The Window 1 of pre-registration shall remain open from **04 June 2026 to 10 June 2026** only. Those who miss to pre-register during the Window 1 of pre-registration will still be able to pre-register for MS 2026-27 but **with a fine/enhanced fine** and a **limited/no choice of electives** during the remaining two windows (i.e. Window 2 and Window 3).

The following are the details of pre-registration windows for reference –

Pre-Registration for MS 2025-26	Period	Fine / Enhanced Fine to be added to the total fee amount
Window 1	04-10 June 2026	Nil
Window 2	03-09 July 2026	Rs.5000/-
Window 3	14-16 July 2026	Rs.10,000/-

It is to be noted that after doing pre-registration successfully, payment of fee and physical reporting are the other two necessary steps that need to be completed as per the schedule given in the academic calendar uploaded on the academics webpage.

Dean (Academic)

Note –

1. The notification and detailed guidelines for **fee payment** and physical reporting are issued separately by the office of Dean (Students' Welfare).

NOTICE

Subject: Submission of application form for availing Assistantship for Dual Degree / Integrated M.Tech Students.

Applications are invited for Financial Assistantship from the students registered in 9th Semester of Dual Degree / Integrated M.Tech programmes. To apply for the assistantship, the students are required to submit Form No.UG 1 (enclosed and available under Forms section of Academic page at the Institute's website) at the latest by **30/06/2026**. Applications received after the last date will not be considered.

The criteria for Financial Assistantship for Dual Degree / Integrated M.Tech students are as follows:-

1. The Financial Assistantship will be awarded to the students in 5th year if they have qualified GATE or have been awarded a CGPA of 8 or above at the end of 4th year.
2. The students are required to provide teaching assistance of 8 hours/week.
3. A minimum SGPA of 6.5 on a scale of 10 for UR/OBC students and SGPA of 6.25 for SC/ST/PwD students are required for the continuation of Financial Assistantship. The continuation of assistantships during each semester is contingent upon academic performance and it will be stopped if the academic performance is poor.
4. Student must clear all courses prescribed in the course structure up to 8th semester.
5. Maximum duration of Assistantship is Two semesters for Dual Degree / Integrated M.Tech students.

CHAPTER 10 FINANCIAL ASSISTANCE, SCHOLARSHIPS, AWARDS AND MEDALS

10.1 Financial Assistance

- Integrated M. Tech. students & B. Tech. students (who opted Dual Degree program) are eligible for Assistantship in the 5th Year (9th and 10th Semester) for a maximum period of twelve months or the date of completion of their academic program whichever is earlier.
- Assistantship will be paid from the month of 1st June to 31st December (in 9th semester) and 1st January to 15th May (in 10th semester).
- The admissible amount of the Assistantship will be paid as per the guidelines of the MOE (Ministry of Education) Government of India.
- All such students receiving Assistantship will not be entitled for any vacation during summer and winter semesters. A pro-rata deduction from the amount of the Assistantship will be made if the student avails any leave beyond the admissible period.
- The students are required to provide teaching assistance of 8 hours/week.
- The students in their 5th Year (9th and 10th semesters) will not be eligible for any other Undergraduate Scholarship including MCM Scholarship or any other Financial Assistance.

10.1.1 Eligibility Criteria for Availing Assistantship

- The students must secure a minimum CGPA of 8.0 at the end of the 8th semester for availing the Assistantship or qualify the GATE Examination.
- The student must clear all courses prescribed in the course structure up to 8th semester.
- The continuation of the assistantship during each semester is contingent upon good academic performance and achievement of a minimum Semester Grade Point Average (SGPA) of 6.50 (on a scale of 10) for UR/OBC students and SGPA of 6.25 (on a scale of 10) for SC/ ST/ PwD students.
- The assistantship will be stopped if the criterion mentioned at point (c) above is not fulfilled. The date of publication of the semester result will be the key date for the purpose.

All the above cited eligibility criteria and guidelines may be changed from time-to-time subject to the direction of the MOE (Ministry of Education) Government of India.

10.2 Scholarships

A number of Merit-cum-Means scholarships, free-ships (i.e. tuition waiver), free basic messing and pocket allowance (for SC and ST categories), and endowment scholarships/fellowships are awarded to the UG students in accordance with the prescribed procedure laid down by the Senate. These scholarships/ fellowships are administered by a designated committee. The details about these scholarships/fellowships can be found from the DSW office/webpage.

10.2.1 Withdrawal of Scholarship

These scholarships are liable to be withdrawn, partially or wholly, in case of misconduct, deliberate concealment of material facts and/or giving false information. A student leaving the Institute on her/his own accord without completing the program of study may be required

NOTICE

Subject: Submission of Application Form for changing the registration from Postgraduate program to Integrated PG-Ph.D. program for obtaining both degrees i.e., Postgraduate Degree with PhD degree after completion of the requirements of Ph.D. program.

It is notified that an opportunity has been given to all the Postgraduate (PG) students to change their registration from PG program to Integrated PG-PhD program. Students who will change their registration from PG to Integrated PG-PhD will be given a PG Degree along with the PhD Degree only after completion of all the requirements of both the degrees. Student will be awarded both the degrees separately and two separate grade sheets will be issued for each program by mentioning the following on the said degrees:

- PG Degree under Integrated PG-PhD Program
- PhD Degree under Integrated PG-PhD Program

All such Postgraduate (PG) students who are interested to change their registration from PG to Integrated PG-PhD program will be allowed at the end of the programme-wise specified semesters subject to fulfilment eligibility' criteria. Details of the changing of registration from PG Program to Integrated PG-PhD are cited below:

1. Eligibility Criteria:

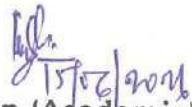

- i) The students must have a minimum of 6.5 CGPA at the end of the specified semester.
- ii) All courses prescribed in the course structure should have been cleared in a single attempt.
- iii) No backlog failed and/or dropped course(s).
- a) However, the department will have the prerogative to decide the minimum required CGPA above 6.5 and to conduct an interview at the time of selecting the students for changing the registration from PG to Integrated PG-PhD program.
- b) Consent of the existing supervisor allotted for the PG program is mandatory. If the existing supervisor does not give her/his consent to supervise the research work after switching over to the Integrated PG-PhD program, then the students will be allowed to change registration from PG to Integrated PG-PhD program only after allotment of the new supervisor by the department for Integrated PG-PhD program.

2. Application Process

PG students who are interested in changing their registration from PG programs to PhD program may apply as per the table cited below by **30th June, 2026 (Tuesday)**:

Program	Application for Changing registration from PG to PhD	The application should reach the Academic Section within by 30th June, 2026 (Tuesday)
M.Tech. to Integrated M.Tech.-Ph.D	After 2 nd Semester	
M.Sc.Tech to Integrated M.Sc.Tech -Ph.D	After 4 th Semester	
MBA(BA) to Integrated MBA(BA)-Ph.D	After 2 nd Semester	

- After verification of the academic record of the students, if it is found that all the eligibility criteria have been fulfilled and having the consent of the supervisor (existing supervisor or new appointed supervisor) which is mandatory, then the request of the student will be accepted.
- Once the registration is changed from PG to PhD, students will be allowed to withdraw from the Integrated PG-PhD academic program and revert back to the PG program as per the terms and conditions which is available on the Academic website.

UNDERTAKING

(Prescribed Undertaking Form (to be considered as an affidavit), which will be submitted by the PG students, who wish to change their registration from PG program to Integrated PG-Ph.D. program)

I, Mr./Ms. _____ (Admission No. _____),
Name of the Student
Date of Admission _____), a _____ student of the _____ Department,
M.Tech/M.Sc./M.Sc.Tech/MBA/MBA (BA) Department/Branch

do hereby undertake and solemnly declare that I will follow all the terms and conditions which are applicable for change of registration from PG program to Integrated PG-Ph.D. program. If I do not follow the prescribed terms and conditions then the Institute will have the prerogative to terminate my academic program immediately and I will not have any right to claim any academic credentials for the period I was pursuing the above cited to Integrated PG-Ph.D. academic program.

I do also hereby declare that if I am allowed to pursue the Integrated PG-Ph.D. academic program, then I will complete the Integrated PG-Ph.D. academic program. In case I want to withdraw from the Integrated PG-Ph.D. academic program due to any kind of unavoidable circumstances and want to complete only the PG program then I will fulfil all the terms and conditions as well as guidelines cited below:

1. I will submit the application for withdrawing from the Integrated PG-Ph.D. program and continuing with the PG program in the Office of Dean (Academic), on time i.e. in the **Monsoon Semester** and at least one week before the last date to **Pre-Register** for the subsequent **Winter Semester**.
2. I will refund the **Fellowship** which I have been paid during the entire period of the Integrated PG-Ph.D. program. The M.Tech program students who changed their registration to Int. PG-Ph.D. program can deduct the amount of the **Assistantship**, if applicable, for up to **Twenty Four** months, from the fellowship amount to be refunded by them.
3. I will attach the **receipt** of the fellowship amount refunded by me, along with my application for withdrawing from the Integrated PG-Ph.D. program. I accept that if I fail to refund the applicable fellowship amount or fail to attach the receipt of the fellowship amount refunded by me, along with my application, my application will not be approved by the Institute.
4. I am giving my affirmation that if I quit from the academic program under reference and do not refund the amount which has been paid to me as **Fellowship**, the Institute will have the right to take necessary action, including legal action, against me.

I accept all the terms and conditions cited above and also promise to abide by all the terms and conditions laid down in the Ph.D. Manual. I will not claim for a PG degree in case I quit and leave without completing the Integrated PG-Ph.D. program or leave without continuing further in PG program. I will strictly follow the procedural guidelines applicable for students who will pursue the Integrated PG-Ph.D. program. I accept that any kind of violation of the rules and regulations of this Institute or of the above mentioned terms, conditions and guidelines may lead to termination of my academic program without any prior notice.

Date: _____

(Signature of the Student)

Declaration to be given by the Parent/Guardian:

I do hereby declare that if the above mentioned student fails to refund the applicable fellowship amount to the Institute(as per point 2 mentioned above) at any stage, I will solely be responsible for repayment of fellowship amount in case a recovery process/legal action is initiated by the Institute on the matter.

Date: _____

MODALITIES ON INTERNSHIP AND PROJECT IN THE FINAL YEAR OF THE PG STUDENT

- As per the existing provision the PG students have the flexibility to either choose Internship in lieu of project or Project in their final year curriculum. Consequently, the students have the following three options for internship (1) Industrial / research internship in lieu of project, (2) Research internship as a part of the project, and (3) other industrial/research internships (apart from the above two) during vacations or regular semesters.
- Irrespective of the internship type, the process of applying NOC will be as follows:
 - NOC required for applying internship needs to be obtained from The Department. However, once the internship request is accepted by the Industry/Organization, a final NOC should be taken from The Office of Dean (Academics) before proceeding for the internship. The Office of Dean (Academics) will issue an Office Memorandum in this regard.
 - Channel for obtaining NOC from The Department during applying for internship
 1. Supervisor will be the forwarding / recommending authority if applying for research internship as a part of the project.
 2. DPGC Convener will be the forwarding / recommending authority.
 3. HoD will be the approving and issuing authority
 - Channel for obtaining Office Memorandum from The Office of Dean (Academics) before proceeding for internship
 1. Supervisor (if applying for research internship as a part of the project), DPGC convener and HoD will be the Recommending / forwarding authority (PG2 form and all supporting documents).
 2. Associate Dean (Academics - PG) will be the final recommending authority.
 3. Dean (Academics) will be the approving authority.
 4. Assistant Registrar (PG) will issue the Office Memorandum.
- PG students having project in both semesters in the final year curriculum are allowed to choose internship in lieu of project either in the monsoon semester or in the winter semester or in both the semesters of the final year.
- Student may change their option from project to internship in lieu of project in a semester, and vice-versa, till the commencement of that semester. After commencement of the semester no such conversion may be allowed.
- Students who have chosen internship in lieu of project in either or both the semester need not to submit PG thesis in the library. Submission of PG thesis to the library is also not required for those students who have project only in one semester in their final year curriculum.

- The research proposal seminar for PG students (except Integrated PG-PhD) will not be mandatory from the academic session 2026 – 2027. However, the supervisor may conduct the same, if feel suitable.
- Students applying for Integrated PG-PhD cannot choose internship in lieu of project. Research proposal seminar for such students is mandatory as per academic template.
- Part time M.Tech students are allowed for internship in lieu of project. However, the job related to his/her employment will not be considered as internship except the case where his/her internship has been converted into the employment.
- The minimum duration of internship per semester should be of fourteen weeks for choosing the option internship in lieu of project.
- The grading of Internship in lieu of project will be done by a committee constituted by the respective HODs and may include FIC (Placements / Internship), one faculty member of the department, faculty member from the sister department, and DPGC convener. The completion certificate for internship shall be endorsed by the Vice Chairperson, CDC.

REGARDING ALLOWING NPTEL COURSES/IMPROVEMENT EXAMINATIONS TO PART-TIME PH.D. SCHOLARS WHOSE ACADEMIC PROGRAMS HAVE BEEN DISCONTINUED DUE TO NON-FULFILMENT OF COURSEWORK REQUIREMENTS WITHIN FOUR FULL SEMESTERS

The Senate in its 42nd meeting, has approved an opportunity for the 20 part-time Ph.D. scholars who were unable to complete their coursework requirements in the AY 2025-26 to clear their backlogs and complete their coursework in the following manner:

- (i) By making use of the provision for Improvement Examination before the start of next academic year (i.e. AY 2027-28) and/or
- (ii) By enrolling in NPTEL courses prescribed by their respective DSC and completing the requirements before the start of the AY 2027-28.

Scholars wishing to enrol for improvement examinations will be provisionally allowed to do so during Summer Semester of 2026-27, subject to submitting a request via email to the Office of the Dean (Academic) at reg_phd@iitism.ac.in by 30 April 2027.

Upon completing all coursework requirements, these scholars must submit a re-appeal for reinstatement by 15 July 2027, attaching proof of completion, for reinstatement effective from Monsoon Semester 2027-28.

If a DSC prescribes any unapproved NPTEL course, prior approval must also be obtained through the Senate approved channel: (DSC → DPGC Convenor → SPGC Chairman).

Sl. No.	Admission No.	Name of the Scholar	Dept.	CGPA at the end of four full semesters	Brief Information
1	23DP0107	Vinod Kumar	Mechanical Engg	0	Appeal made by scholar for reinstatement: I was registered in Part Time Ph.D. with course work through NPTEL courses, however they were not approved till this semester. I will complete approved courses again now as per Institute guidelines to complete my course work. Feedback from the Supervisor: Recommended & forwarded for the reinstatement.
2	23DP0063	Manish Upreti	Mechanical Engg	0	Appeal made by scholar for reinstatement: I was registered in Part Time Ph.D. with course work through NPTEL courses, however they were not approved till this semester. I will complete approved courses again now as per Institute guidelines to complete my course work. Feedback from the Supervisor: Recommended & forwarded for the reinstatement.
3	23DP0076	Pralay Singha	Electrical Engg.	5.43	Appeal made by scholar for reinstatement: I have appeared seven (07) technical subjects. If possible, kindly allow best five subjects from those for my course work. Then the total CGPA will be 6.60. Feedback from the Supervisor: Forwarded.
4	23DP0079	Rahul Raajan	Mechanical Engg.	2.89	Appeal made by scholar for reinstatement: Didn't registered any semester in 2023. My programme was updated to NEP in 2024. Did only two semesters under NEP. Feedback from the Supervisor / DPGC Convener: Recommended.
5	23DP0087	Sandeep Kumar	Mechanical Engg.	6.38	Appeal made by scholar for reinstatement: During this period I have facing serious family difficulties along with personal health issues which significantly affected my academic performance. These challenges were unexpected and beyond my control. (Medical test reports enclosed) Feedback from the Supervisor / DPGC Convener: Recommended as suggested by the Chairperson DSC.
6	24DP0111	Ms. Sasmita Singh	Mechanical Engg	6.26	Appeal made by scholar for reinstatement: As I was suffering from serious gynaecological issues, some how it affects my study during my course work time, for which it leads to reduction in my CGPA. Currently my health status is ok. Feedback from the Supervisor: The application is recommended for approval.
7	24DP0190	Mr. Shashi Kant	Mechanical Engg.	6.38	Appeal made by scholar for reinstatement: Sir, I have applied for grade improvement exam in the current semester, which will be going to held on July 2025-26. Feedback from the Supervisor: The candidate will appear for improvement exam in summer semester. Hence his candidature may kindly be reinstated.
8	24DP0057	Mr. Dehabrata Mukherjee	Electrical Engg	3.4	Appeal made by scholar for reinstatement: Due to my family problem, I was not able to appear first two semester of examination. I appeared next two semester examination for clearing total six subjects, three subjects in each semester. As a result, I am not able to score required grade point 6.5 CGPA. Feedback from the Supervisor: Appeal for reinstatement may be considered.
9	24DP0072	Mr. Anurag Chaudhary	Electrical Engg.	6.17	Appeal made by scholar for reinstatement: My earlier performance was affected due to unavoidable family circumstances, but I sincerely continued my studies and improved in every semester, from SGPA 5 to 6, then 6.57 and finally 6.71. Feedback from the Supervisor: Recommended for kind consideration pl.

Sl. No.	Admission No.	Name of the Scholar	Dept.	CGPA at the end of four full semesters	Brief Information
10	24DP0021	Mr. Acharya Gokarni	Electrical Engg.	9 (only one course completed)	Appeal made by scholar for reinstatement: Due to medical emergency of my wife (Diagnosed as Acute respiratory lung infection associated with very high fever and respiratory distress. I was the only person to support her and set up all the hospitalization facility. My mother was suffering from Papillary Carcinoma of left lobe of Thyroid gland (Bethesda category 6) - Total Thyroidectomy done on 06.05.2026. Feedback from the Supervisor: Student may be reinstated and idle semester may be permitted on medical ground.
11	24DP0148	Mr. Ram Baboo Prasad	ESE	6	Appeal made by scholar for reinstatement: One year extension may kindly be granted to improve the grade and to go for a few more courses for improvement in CGPA. Feedback from the Supervisor: The candidate may be given a chance to appear in summer semester for course NESO402 final exam which he could not appear in 24-25 monsoon due to medical reason for his family. In case the candidate cannot achieve 6.5 CGPA after this exam, he may be given one more year to clear his course work.
12	24DP0167	Mr. Arjun Kumar	ESE	5.21	Appeal made by scholar for reinstatement: My previous interruption was due to unavoidable personal circumstances. I am now fully prepared, with renewed focus and determination, to complete the pending single backlog paper along with one additional paper to improve my academic performance. Feedback from the Supervisor: Recommended.
13	24DP0164	Mr. Amit Kumar	ESE	6.43	Appeal made by scholar for reinstatement: Sir, I will try my best to clear my paper, if allotted so, that I can pass my coursework. I could not score my CGPA in WS - 6.5 because I didn't write any midsem of NESD501 in March 2026 due to illness. Feedback from the Supervisor: He is having CGPA-6.47. He has also prepared the required soil sensors for his research. Recommended for approval.
14	24DP0027	Mr. Dibyajyoti Parida	Petroleum Engg.	6.13	Appeal made by scholar for reinstatement: Despite from chemistry background and rigorous field job, I have improved in learning the petroleum engineering subjects. In winter 2025-26 sem, I have accumulated 8 SGPA than that of previous semester (2024-25 Monsoon) i.e. 6.7. Feedback from the Supervisor: Request of Mr. Dibyajyoti Parida is requested to consider as per Institute norm.
15	24DP0063	Mr. Mohammad Fakhre Azam	Petroleum Engg.	6.36	Appeal made by scholar for reinstatement: I was unable to achieve the required grades due to unavoidable family and personal circumstances during the semester. My spouse was undergoing a critical phase of pregnancy, and I was also responsible for the care of my aged parents, including my mother who is paralyzed and my father who is a heart patient. I also got transferred from Noida to Khamhlat in between which took a lot of effort and time. Feedback from the Supervisor: Given the difficult circumstances faced by the student, I request another opportunity for him to improve his grades.
16	24DP0018	Ms. Sushma Kumari	Electronics Engg.	5.68	Appeal made by scholar for reinstatement: Due to child birth & post-delivery medical advice for complete bed rest, I could not appear for the 4th semester end examination (as I earlier informed via email). My delivery date was 28.04.2026. I request you to kindly consider my case on maternity grounds and kindly reinstate me in the Ph.D. program. I assure you I will maintain the required academic standards in the next session. Feedback from the Supervisor: Her request for continuation may please be considered for one semester, subject to the applicable Institute rules.

Sl. No.	Admission No.	Name of the Scholar	Dept.	CGPA at the end of four full semesters	Brief Information
17	24DP0105	Mr. Ranvijay Sarkar	Electronics Engg.	6.26	Appeal made by scholar for reinstatement: During my machine learning (MECO509) final semester examination, I suffered from severe fever, headache and stomach illness that adversely affected my performance and resulted in a D grade. Consequently, my CGPA was significantly impacted. I have successfully completed six subjects instead of the required four. I humbly request that the course I which I received the D grade be executed while evaluating my academic performance. If the best four coursework results are considered, my CGPA exceeds 7. Feedback from the Supervisor: He is interested in his Ph.D. work, and he is always in contact with me regarding this. Hence, I recommend the reinstatement appeal.
18	24DP0116	Ms. Subarna Roy	Electronics Engg.	3.43	Appeal made by scholar for reinstatement: Due to inadequate preparation and health issues Feedback from the Supervisor / Convener DPGC: Based on the feedback received from the supervisor and recommendation of the DSC Chairperson, DPGC recommends for favourable consideration for reinstatement with one / two more semester for clearing the course work with minimum required grades, but as per Institute norms
19	24DP0073	Laxmi Gujjula	CCB	5.75	Appeal made by scholar for reinstatement: Due to my industrial work commitments and the long distance between my workplace and the Institute, I was unable to attend my physical verification process for semester registration for two consecutive semesters. I sincerely regret this and request reinstatement, as I remain committed to completing my Ph.D. program and research work. Feedback from the Supervisor: Laxmi made a very good progress in her Ph.D. work. Please reinstate her in the Ph.D. programme.
20	24DP0075	Sailoo Thota	CCB	6.25	Appeal made by scholar for reinstatement: Due to my industrial work commitments and the long distance between my workplace and the Institute, I was unable to attend my physical verification process for semester registration for two consecutive semesters. I sincerely regret this and request reinstatement, as I remain committed to completing my Ph.D. program and research work. Feedback from the Supervisor: Mr. Sailoo made a very good progress in his Ph.D. work. Please reinstate him in the Ph.D. programme.

REGARDING CLARITY ON GRADE SHEET IN CASE OF STUDENTS' ABSENCE
FROM THE EXAMINATIONS

The Senate, at its 42nd meeting, has approved the following modalities to provide clarity regarding the entries to be made in the grade sheet in the cases of students' absence from examinations:

1. In case a student fails to appear in the end semester examination of a registered course, an 'I' (Incomplete) grade shall be awarded to the student, pending a make-up examination. The 'I' grade shall be replaced by the grade obtained on the student's appearance in, and evaluation of, the make-up examination, entered by the Course Instructor while uploading the marks on MIS. Where no such grade has been entered, whether because the student did not apply for, or was not granted, a make-up examination, or was granted one but did not appear in it, the 'I' grade shall be converted to an 'Ab' grade (meaning absent) on the grade sheet at the time of result declaration.
2. For all SGPA/CGPA calculation purposes, an 'Ab' grade will be treated as an 'F' grade.
3. Where a student obtains an 'Ab' grade in the same course on two successive registered attempts at that course, the 'Ab' grade obtained on the second such attempt shall be converted to an 'F' grade on the grade sheet.
4. Because an 'Ab' grade is not a passing grade, the course must be cleared through re-registration and re-examination identically to an 'F' grade, and all program graduation and CGPA requirements must be fulfilled.
5. For the consideration of disqualification for any medal/award, only 'F' grade will be considered as a disqualification. Obtaining an 'Ab' grade will not disqualify the students.

**REGARDING CHANGES IN THE CONDITION OF ONE SEMESTER RESIDENCY
OF PH.D SCHOLARS AFTER THEY RETURN FROM FOREIGN UNIVERSITIES
UNDER THE COLLABORATIVE DOCTORAL PROGRAM**

The Senate in its 42nd meeting approved the change in condition 4.8 of the approved modalities of the Collaborative Doctoral Programme.

Consequently, the condition 4.8 which was

“4.8- After returning from the host Institute/University, the scholar must spend at least one semester at the home Institute.”

is modified to

“4.8- After returning from the host Institute/University, the scholar must spend at least 2 months, at IIT(ISM), Dhanbad. This period of 2 months is extendable up to a total post-return residency period of one regular semester, as recommended by the respective DSC, and subject to completion of the minimum duration of three years required to complete the Ph.D.”

CHANGE IN MODALITIES FOR CONSIDERING ELIGIBILITY FOR ASSISTANTSHIP
IN M.TECH/ 5th YEAR INT. M.TECH/ 5th YEAR DUAL DEGREE M.TECH.

The Senate, at its 42nd meeting, has approved to change the modalities for considering eligibility for assistantship in M.Tech/5th Year Int. M.Tech/5th Year Dual Degree M.Tech.

Accordingly, in the existing clause 10.1.1, SGPA/CGPA Criteria for Availing Assistantship, of the PG Manual, a sub clause (h) will be added with the following -

(h) A student can also upgrade his/her existing CGPA during Summer Semester. As even after doing that in Summer Semester his/her SGPA of the previously affected semester remains unchanged in the grade sheet, the updated SGPA of the affected semester (wherein a lower grade in the said course resulted into loss of entitlement for assistantship) shall be counted manually / automatically to ascertain the fulfilment of eligibility criteria for assistantship in case of M.Tech / 5th year Int.M.Tech/5th year Dual Degree M.Tech students. The date of effect of change in entitlement for assistantship will be the date of declaration of the result of Summer Semester of the said candidate.

And in the existing clause 10.1.2 Arrear of Stopped Period of Assistantship, of the PG Manual, the sub clause (a) will be modified to the following -

(a) If a student whose assistantship is stopped at the end of 1st semester achieves a CGPA of 6.5 or more and SGPA of 7.5 or more at the end of 2nd semester i.e. upon declaration of the 2nd semester result, the arrear of assistantship for the stopped period (i.e. 2nd semester) will also be paid. Further, for the M.Tech. students who avail the benefit of improvement examination will be allowed to get assistantship arrears of the second semester upon fulfilment of the manually / automatically calculated SGPA requirement of 6.5 (for UR/OBC) and 6.25 (for SC/ST/PWD students) for assistantship considering upgradation of grade in first semester course(s), if any after improvement.

All such students need to apply for resumption of their assistantship in Academic section through their respective DPGC convenors who will recommend only the cases that are eligible after the declaration of the result of the Improvement Exam/ Summer Semester. This change will be effective from Summer Semester 2025-26.
