2. The site of the work is available/or the site of the work will be made available in parts as specified below.
3. Tender which should always be placed in sealed cover with the name of the work written on the envelopes will be received by Campus Engineer and opened in his office as per details given below.

Last date of receipt/submission of Tender **08.06.2018** up to **3.00 P.M.**

Date and time of opening of Tender **08.06.2018** at **4.00 P.M.**

4. The time allowed for the work will be **07 (Seven) DAYS** from the 10th day after the date of written order to commence the work.
5. **CPWD specification will be followed strictly during execution.**
6. The contractors should quote in figures as well as in words the rate and amount tendered by them. The amount for each item should be worked out and requisite total given.
7. The last date for issue/purchase of tender is **06.06.2018** up to 3.00 PM (Generally stopped two days before the date fixed for the opening of tenders).
8. Earnest money amounting to **₹8,700.00** deposited at the IIT(ISM) cash counter/ Demand Draft to a Nationalised Bank in favour of "Registrar, IIT (ISM) Dhanbad." Must accompany each tender to be in a sealed cover superscribed "Tender for the above work" and addressed to Campus Engineer, IIT (ISM), Dhanbad.
9. The contractor whose tender is accepted will be required to furnish by way of security deposit for the due fulfillment of the contract. Such sum will amount to 10% of the total cost of works awarded.
10. The acceptance of a tender will rest with the Campus Engineer who does not bind himself to accept the lowest tender and reserve to himself the authority to reject any or all the tenders received without assignment of any reason. All tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect are liable to be rejected.
11. Canvassing in connection with the tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.

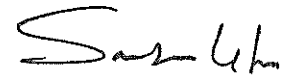

12. An item rate tender containing percentage below/above will be summarily rejected, however a tender voluntarily offers a rebate, this may be considered.
13. On acceptance of the tender the name of the accredited representative's of the contractor who would be responsible for taking instructions from the Junior/Assistant Engineer shall be communicated to the Campus Engineer.
14. Special care should be taken to write the rates in figures as well as in words and the amounts in figures only, in such a way that interpolation is not possible. The total amount should be written both in figures and in words. In case of figures the word "Rs." Should be written before the figures or rupees and word "P" after the decimal figure e.g. Rs. 2.15 p and case of words the word Rupees should precede and the word "paise" should be written at the end, unless the rate is in whole rupees and followed by the word "only". It should invariably be up to two decimal places. While quoting the rate in schedule of quantities the word "only" should be written closely following the amount and it should not be written in the next line.
15. The Director/Registrar does not bind himself to accept the lowest or any tender and reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
16. All taxes except Goods & Service Tax (GST) as applicable in respect of this contract shall be payable by the contractor and IIT(ISM) will not entertain any claim whatsoever in this respect. GST will be paid along with the contractor's bill.
17. The tender for the work shall remain open for acceptance for a period of 90 days from the date of opening of the tender. If any tenderer withdraws his tender before the said period or makes any modification in the terms and conditions of the tender which are not acceptable to the department, then the IIT(ISM) without prejudice to any other right or remedy, be at liberty to forfeit of the said earnest money.
18. Rates quoted by the contractor in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures and words. However, if a discrepancy is found the rates which correspond with the amount worked out by the contractor shall be taken as correct.
19. If the amount of an item is not worked out by the contractor or it does not correspond with the rate written either in figure or in words then the rate quoted by the contractor in words shall be taken as correct.
20. Where the rates quoted by the contractor in figures and in words tally but the amount is not worked out correctly, the rate quoted by the contractor will be taken as correct and not the amount.
