Sub: Permission to use air cooler in the hostel rooms as per the laid specifications

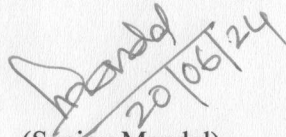

Considering the unprecedented heat wave, residents of Student Hostels are permitted to arrange their own Air Coolers in their rooms. However, the specifications of the air coolers should be within the laid norms as below:

- **Input Power Capacity:** Less than 200 W.
- **Water Tank Capacity:** Less than 45 L.

Based on the specifications as above, the following are suggested makes/models of air coolers:

1. **Blue Star Celesta DA35LMB**
2. **Symphony Hicool 31T Room Air Cooler**
3. **Orient Durachill 40L**

Students may procure any brand/model in line with above mentioned specifications of air cooler only.
