PRESS-RELEASE

IIT (ISM) Dhanbad invites applications for 4-Year Integrated B.Sc.-B.Ed. Programme for Academic Session 2026-27

Indian Institute of Technology (Indian School of Mines) Dhanbad has invited applications for admission to its **4-Year Integrated Teacher Education Programme (ITEP) leading to B.Sc.-B.Ed. (Secondary Stage)** for the Academic Session 2026-27.

The programme has been designed in line with the vision of the National Education Policy (NEP) 2020 to prepare highly qualified and professionally trained teachers capable of addressing the evolving needs of the education sector. The full-time residential programme offers students an opportunity to pursue a dual major, comprising a B.Sc. degree in Physics, Chemistry or Mathematics along with a B.Ed. degree specializing in the secondary stage.

The admission process will be based on the performance of candidates in the **National Common Entrance Test (NCET) 2026** conducted by the National Testing Agency (NTA). Interested candidates fulfilling the prescribed eligibility criteria may submit their applications through the IIT (ISM) admission portal from **June 1, 2026 to June 19, 2026**.

A total of **50 seats** are available across three programmes: **B.Sc. (Physics)-B.Ed. (15 seats)**, **B.Sc. (Chemistry)-B.Ed. (15 seats)** and **B.Sc. (Mathematics)-B.Ed. (20 seats)**. Reservation of seats for SC, ST, OBC-NCL, EWS and Persons with Disabilities (PwD) candidates will be applicable as per Government of India norms.

Candidates seeking admission must have passed the 10+2 examination (or equivalent) with the prescribed minimum marks and should have appeared in NCET 2026 with the relevant domain subject corresponding to the programme of their choice. Detailed eligibility criteria, fee structure, reservation policy and admission guidelines are available in the Information Brochure hosted on the Institute website.

According to the admission schedule, the first list of selected candidates will be published on **July 1, 2026**, followed by the second and third lists on **July 9 and July 15, 2026**, respectively. Physical reporting of selected candidates at IIT (ISM) Dhanbad is scheduled for **July 25, 2026**, while the Monsoon Semester for the academic session 2026-27 will commence on **July 27, 2026**.

The programme offers students a unique opportunity to receive advanced training in science disciplines under the guidance of IIT faculty members while simultaneously acquiring professional competencies in teacher education. Through a blend of academic rigor, pedagogical training and exposure to educational research, the programme aims to nurture future educators equipped to contribute meaningfully to the nation's educational landscape.

For detailed information and online application, candidates may visit the Institute website: www.iitism.ac.in.
