## **PRESS RELEASE**

### **Alumni Leaders Meet IIT (ISM) Chairman to Celebrate Achievements and Discuss Future Roadmap**

IIT (ISM) Dhanbad continues to make strides on the global academic stage, a fact celebrated by its distinguished alumni. Shri Ashok Kumar (Batch of '94), General Secretary of PanIIT Alumni India, and Shri Amitabh Ranjan (Batch of '93), Advisory Board Member of the Solar Future Alliance, recently met with Prof. Prem Vrat, Chairman of the Board of Governors, IIT (ISM) Dhanbad, to extend their congratulations on the institute's remarkable rise in the QS World Ranking 2025.

The alumni expressed immense pride in IIT (ISM)'s outstanding performance, which has reinforced its position among the premier PanIIT institutions. They also deliberated on strategies to achieve similar excellence in the National Institutional Ranking Framework (NIRF) and explored initiatives to enhance the institute's global reputation.

A key focus of the discussion was strengthening alumni engagement and fostering closer collaboration between past and present members of the IIT (ISM) community. They emphasized the importance of faculty retention and attracting top-tier educators, particularly those with IIT backgrounds, to further elevate academic standards at the institute.

The upcoming centenary celebrations of IIT (ISM) Dhanbad were also highlighted, with a shared vision to organize a grand and memorable event that reflects the institute's rich legacy and aspirations for the future. Recognizing the invaluable contributions of its alumni, the meeting underscored the need for a coordinated effort to unify the global IIT (ISM) fraternity in supporting the institute's continued progress.

The leadership and dedication of the IIT (ISM) alumni network remain instrumental in propelling the institute toward greater heights, ensuring its sustained success and impact on the global academic landscape.
