PRESS RELEASE

Artistic creativity & innovation of budding technocrats gets platform during t Annual Art Gallery of IIT (ISM)

It was an evening to celebrate creativity and innovation at IIT (ISM) as the Annul Art Gallery of institute was organized at Penman Quadrangle on Tuesday evening by ArtFreaks, the Fine Arts Club of the institute during which over 50 artworks (paintings) made by students of the club have been displayed.

The daylong event inaugurated by Prof JK Pattanayak in presence of Prof Rajni Singh, Dean Corporate Communications; Shri Prabodh Pandey, Registrar and other was aimed to nurture artistic creativity of students.

Jeet Rathod, a B Tech 3rd year Engineering Physics student of the institute who is coordinator of the club said, "The theme for the gallery this year is All Generation of Bollywood Movies and actors the painting were based on movies right from the silent era to sound era, golden age and present era" and added many of the paintings for the exhibition have also contributed by the alumni of the institute.

"The focus of the gallery is primarily of classical movies across all languages" said Kshitiz Brahmane, a B Tech Mechanical Engineering 3rd year student of the institute who is also another coordinator of ArtFreaks.

At ArtFreaks the members guide and demonstrate students to pursue and flourish different forms of art and craft through various workshops.

"At ArtFreaks we have common goals and we utilize our imagination to create multiple artworks throughout the year" said Supreeth a club member and added that they work together as part of different projects.

"This apart the members of club also contribute enormously to give the campus a completely transformed look during any major event held at the campus" further said Supreeth.
