## **PRESS-RELEASE**

### **CIIE IIT (ISM) Dhanbad Foundation Partners with ARVISAR ENTERPRISES PRIVATE LIMITED to Drive Sustainable Packaging and Food Innovation**

The CIIE IIT (ISM) Dhanbad Foundation has entered into a strategic incubation and collaboration agreement with **ARVISAR ENTERPRISES PRIVATE LIMITED**, an emerging startup pioneering eco-friendly packaging and sustainable food solutions. The partnership marks a significant step towards fostering innovation in biodegradable materials and promoting environmentally responsible entrepreneurship.

ARVISAR ENTERPRISES is engaged in developing paper-based packaging and food processing solutions, producing biodegradable plates, donas, edible cups, and compostable trays. With a strong commitment to sustainability, the company seeks to reduce plastic waste, promote a circular economy, and empower local producers and small enterprises through sustainable manufacturing practices.

Through this collaboration, CIIE IIT (ISM) Dhanbad Foundation will extend its support in the form of research and innovation guidance, business mentorship, market and investor connect, and access to institutional infrastructure for product development and prototyping. The partnership aims to strengthen the ecosystem for sustainable product innovation and nurture enterprises working to address critical environmental challenges.

Expressing enthusiasm about the collaboration, a representative of CIIE IIT (ISM) Dhanbad Foundation stated that the partnership with ARVISAR ENTERPRISES reflects the institute's continued commitment to fostering startups that combine innovation with environmental responsibility. The initiative aligns with the broader vision of building a greener, scalable, and sustainable India, where scientific innovation contributes meaningfully to a plastic-free and resource-efficient future.

The CIIE IIT (ISM) Dhanbad Foundation continues to play a pivotal role in nurturing technology-driven startups through its incubation and entrepreneurial support programs, promoting a culture of innovation that directly contributes to India's sustainable development goals.
