Dhanbad Deputy Commissioner addresses new entrants of batch 2024 of IIT (ISM); offers them tips to excel in career

The day 3 of the special orientation session for newly admitted students of IIT (ISM) today (August 1, 2024) witnessed a insightful lecture by Ms Madhvi Mishra, Dhanbad Deputy Commissioner who addressed around 1100 newly admitted undergraduate (B Tech and Integrated M Tech) students at Penman Auditorium of institute on wide range of issues, including academic excellence, goal setting and also about strategies for preparation for Civil Services Examination.

The Deputy Commissioner during her lecture delivered in presence of IIT (ISM) faculty member, officers and staff led by Prof Sukumar Mishra, Director also motivated the students to work hard to achieve their respective goals and encouraged them to work for solving the problem of the community, society and nation.

Highlighting on the significance of maintaining confidence and never getting discouraged she said, "Failure is the compulsory part of but what it important that it demotivates you or not and that makes difference"

She cited an example and said that when "I tried to appear in Indian Economic Service for the 1st ill she got bedridden and badly affected although I never had health issues".

"The most important thing that I would like to point out is that one should never give up and never quit" further said the Deputy Commissioner.

"Though, I may sound little spiritual but I would like to point out that we should never get attached to outcome and accept the things even if they do succeed despite working hard" added, Dhanbad DC.

Ms Madhvi Mishra's appointment as the new DC of Dhanbad in March 2024 marks a historic moment, as she becomes the first woman to hold this position after Dr. Beela Rajesh.

Her previous training in Dhanbad as Trainee IAS during 2016-17 underscores her familiarity with the region's administrative landscape, further enhancing her suitability for the role.

Prior to her new role, Ms Madhvi Mishra served as the Managing Director of the Jharkhand Industrial Infrastructure Development Corporation (JIIDCO).

During her tenure as Managing Director of Jharkhand Industrial Infrastructure Development Corporation, she played a pivotal role in driving initiatives aimed at bolstering industrial infrastructure and promoting economic development in the state. Her proven track record and dedication to public service make her a formidable leader who is capable to address the challenges facing Dhanbad.

Her appointment as Deputy Commissioner also heralds a new chapter in Dhanbad's administrative journey, promising proactive leadership and strategic decision-making to propel the district towards prosperity and progress.

Prof Dheeraj Kumar, Deputy Director; Prof Rajni Singh, Dean Corporate Communications; Prof MK Singh, Dean Academic; Prof SK Gupta, Dean Students Welfare and others were also present during the occasion.

Rajni Singh

Dean (Corporate Communications)
