FilmFest 2024, The Bollywood Saga Night-An evening dedicated to celebrating the magic of Bollywood organized at Open Air Theatre of IIT (ISM) by LightsCameraISM.

The stylish and fashionable dressing sense, acting talent and in-depth knowledge about Bollywood movies and actors of the budding techies of IIT (ISM) came to fore at the Open Air Theatre of IIT (ISM) this evening as, LightsCameraISM, the official film making club of the institute organized FilmFest 2024, The Bollywood Saga Night-An evening dedicated to celebrating the magic of Bollywood.

The Fest filled with Cinematic excitement, unforgettable performances, provided a chance to the techie to showcase the Bollywood Star lying within them.

To add some twist to the event, the organizers invited the students to come dressed as their favorite fictional characters and accordingly the participants donned attire of their beloved hero or a fictional character, mythical figure or other characters from the world of fiction.

Some of students who were property attired also got the chance to perform on stage amidst the clapping whistling of their classmates and seniors and received pool of goodies and sashes.

A film quiz aimed to test of knowledge of participating techies about the Bollywood movies, characters and actors was also held during the event in total three rounds.

Moreover, as it was a night filled with revelry, there was a ramp walk round also during which exquisitely dressed participants showed their strong and confident posture.

The event concluded with a sizzling dance performance by the team of LightsCameraISM (LCI).
