### **IIT (ISM) Dhanbad Conducts Executive Development Program on Data Analytics for Maithon Power Limited**

The Department of Management Studies & Industrial Engineering, IIT (ISM) Dhanbad, successfully organized a two-day **Executive Development Program (EDP)** on “**Data Analytics for Decision Making**” for the executives of **Maithon Power Limited (MPL)** on **22nd–23rd August 2025**.

The program was inaugurated in the esteemed presence of **Prof. Sukumar Mishra, Director, IIT (ISM) Dhanbad**, and **Shri Subhra Sundar Chatterjee, Chief O&M, MPL**, who shared their inspiring insights on the growing significance of data-driven decision-making in today’s business landscape.

The course was **coordinated by Prof. Shashank Bansal** and **co-coordinated by Prof. Himanshu Gupta**, with a warm welcome address delivered by **Prof. Sandeep Mondal, HoD, DMS&IE** and **Prof. J.K. Pattnayak, Prof. (HAG), IIT (ISM) Dhanbad**.

The program combined **interactive lectures with hands-on training sessions**, empowering participants with practical knowledge and advanced tools in data analytics. The training enhanced the executives’ ability to leverage data for **strategic and operational excellence**, ultimately contributing to better decision-making in the dynamic power sector.

This initiative underscores IIT (ISM) Dhanbad’s commitment to **strengthening industry–academia collaboration** and nurturing **data-driven leadership** in the energy and infrastructure sectors.
