IIT (ISM) Dhanbad Hosts Samarthya – The HR Conclave 2025: Industry Leaders Share Insights on Building the Next Generation Workforce

The Department of Management Studies and Industrial Engineering (DMSIE), IIT (ISM) Dhanbad, successfully hosted *Samarthya – The HR Conclave 2025*, a vibrant platform that brought together industry leaders, academicians and changemakers for insightful discussions on the future of work and talent management.

The conclave featured thought-provoking sessions on redefining employability through human skills, technology and leadership, the evolving and tech-integrated roles of MBAs in an AI-driven economy, the importance of aligning talent strategies with sustainability goals through Green HR, and the growing relevance of inclusive leadership in the age of hybrid work. These sessions highlighted the pressing need to bridge campus and corporate aspirations while shaping a next-generation workforce that is innovative, adaptable and socially responsible.

The event was enriched by the participation of several eminent panelists, including academic experts from IIT (ISM) as well as senior leaders representing Microsoft, Honeywell, KPMG, Fresenius Medical Care, Emami Group, Super Smelters Ltd., Sutherland, M junction, Zydus, PEAK Academy and Mediversal. Their diverse perspectives offered valuable insights into current industry practices and emerging challenges, leaving a lasting impact on students, researchers and professionals alike.

IIT (ISM) Dhanbad extends its sincere gratitude to all distinguished speakers whose contributions made Samarthya – The HR Conclave 2025 a resounding success and reinforced its vision of nurturing future-ready talent for a rapidly evolving global economy.
