

भारतीयप्रौद्योगिकीसंस्थान (भारतीयखनिविद्यापीठ), धनबाद Indian Institute of Technology (Indian School of Mines), Dhanbad

For Immediate Release: October 19,2022

PRESS RELEASE

More than 3000 Technophiles from across the country to test their prowess during the three day techno-managerial fest of IIT (ISM), Concetto'22 from October 21 to 23.

More than 3000 technophiles from over 25 prominent engineering institutes from across the country will be exhibiting their prowess during the brainstorming sessions of a series of technical events at IIT (ISM) Dhanbad from October 21-23 as part of Concetto'22, the annual, techno managerial fest of institute.

The festival which will kick start on October 21 with the series of technical events, will be inaugurated by Director General (DG) of Directorate General of Mines Safety (DGMS), Prabhat Kumar as chief guest in presence of Sanjay Singh, (Director Technical-BCCL) as Guest of Honor and Dr Mohit Gambhir, Director (Innovation), Ministry of Education's Innovation Cell.

Sharing details, Professor Ajit Kumar, Head (Strategy & Execution) of Naresh Vashisht Centre for Tinkering and Innovation (NVCTI) at IIT (ISM) who is also the Convener of the fest said "Participants from different IITs, including IIT Bhubaneswar, IIT Palakkad; large number of NITs, including NIT Jamshedpur, NIT Bhubaneswar, besides BIT Mesra and several state engineering colleges and private Technical institutes will be participating in the mega event which is being held on the theme-"Augmented Reality"-Reality beyond vision.

"The series of competitions, right from the Technical Club Events and Animation & Game Design Contest to Aeronautics and Space Technology related events like Preparing Glider, Data and Software Technology Event, including those related to cyber security, Electronics and IOT Club events, Robotronics and Fintech Club Events are aimed to test the ability of participating budding techies to combine their technical knowledge with practical problems" said Kumar.

Divulging more details, Ankit Aryan, a B Tech, Final Year Electrical Engineering student who is also the event head said, "As part of technical club events students will be participating in Game Jam-a contest related to creating any game; Game-E-Heart related to creating animation; E sports -in which e sports events like Valvorant and FIFA will be played".

"During the Aeronautics and Space Club events participants will be pitched against each other in the competitions like **Sky is the Limit**, during which they will be required to prepare a glider; **Pseudo Pilots** during which they will be competing designing the basic drone flight controller" further said Aryan.

"We will also be having events of different other department like Petroleum Engineering Department event -Hold Your Barge during which the participants will be required to prepare a Barge/Ship using Plastic Straw; besides the similar events of Environment Department, Chemical Department, Computer Science & Engineering Department, Mechanical Department, Electrical Engineering, Civil Engineering, Electronics & Communication and Engineering Physics" said other B Tech Final Year student, Aman Mittal who is the overall coordinator of the event.

"We will also have the prominent speakers like IPS officer cum prominent educationist, Abhyanand and Civil Servant cum Educationist cum Motivational Speaker cum Author-Tanu Jain as our guest speakers who will be motivating the students" said event Co Head-Atla Vishnu Vikash.
