IIT (ISM) Dhanbad organizes, swachhata pledge taking, human chain formation and drawing competition as part of Swachh Bharat Mission at 10+2 Government Utkramit High School, Gosaidih.

IIT (ISM) Dhanbad organized several programs, including a Swachhata pledge-taking, a human chain formation, and a drawing competition as part of the Swachh Bharat Mission (SBM) at 10+2 Government Utkramit High School, Gosaidih.

The program began in the school this morning with the team of IIT (ISM) led by Prof. Sanjeev Anand Sahu, Head, Center of Societal Mission of the Institute, conducting the Swachhata Pledge, during which over 120 students of the school took part.

The students of the school also formed a human chain during the occasion. This was followed by a drawing competition during which students of the school divided into different categories as per their age groups participated and made paintings on the theme of Swachhata.

The winners of the drawing competition were also awarded during the concluding function of the daylong program, during which the teachers and stall of the school were led by the Head Master of the School. Four students, volunteers of the Center of Societal Mission, along with Kailash, a staff member of the Center of Societal Mission who was present during the drive, played a crucial role in successfully organizing the drive.
