March 23, 2023

Invitation for National Conference on Geophysical Advances-Natural Resource Exploration, Energy Security and Geohazards (CGA-2023)

Dear Media Friends,

IIT ISM Dhanbad is organizing a National Conference on “Geophysical Advances-Natural Resource Exploration, Energy Security and Geohazards (CGA-2023)” during March 24-26, 2023.

The conference will bring together a diverse community of educators, scientists, researchers, engineers, industry delegates and policy makers who are working towards a world where scientific discovery leads to scientific solutions and where their global collaboration and partnership can carry us into a sustainable future.

We cordially invite you to inaugural function of the National Conference as per the following schedule.

- ***Event-Inaugural Function of National Conference on “Geophysical Advances-Natural Resource Exploration, Energy Security and Geohazards (CGA-2023)”***
- ***Time and Date- March 24, 2023 (Friday) from 4 p.m.***
- ***Venue- Golden Jubilee Lecture Theatre (GJLT) of IIT (ISM)***

Rajni Singh

Dean (Media & Branding)
