

For Immediate Release: October 16, 2024

PRESS-RELEASE

Prof. Ajit Kumar, inducted as an executive member of the academic council of the Fluid Power Society of India (FPSI) for 2024-26.

Prof. Ajit Kumar of the Mechanical Engineering Department of IIT (ISM) Dhanbad has been inducted as an executive member in the academic council of the Fluid Power Society of India (FPSI) for the period 2024-26.

FPSI was established in 1973 by a group of technocrats, practicing engineers, manufacturers, and academicians with the objective of disseminating the tremendous potential that the fluid power industry has to all those connected with it, in any capacity.

FPSI is a not-for-profit professional body committed to promoting Fluid Power knowledge and technology in the country.

In the recent years, FPSI has made huge strides and has tremendous potential to grow in India as well as globally.

Rajni Singh

Dean (Corporate Communications)
