Udbhav 2025 Celebrated with Grandeur at IIT (ISM) Dhanba

The Department of Computer Science and Engineering, IIT (ISM) Dhanbad, celebrated its Annual Day, Udbhav 2025, with a blend of academic recognition, cultural vibrance, and inspirational insights. The event was graced by Shri Aditya Kumar Sinha, Executive Director, C-DAC Mumbai, as the Chief Guest.

The formal proceedings began with lamp lighting and an invocation song, followed by the welcome address by Prof. Chiranjeev Kumar, Head of the Department and President of CSES. Prof. M. K. Singh, Dean (Academic), who presided over the function in the absence of Director Prof. Sukumar Mishra, addressed the gathering and also conferred the Best Company Award 2025 to Microsoft.

The CSE Alumnus of the Year 2025 Award was conferred upon Mr. Maheswara Reddy Chennuru of the 2018 Batch by the Chief Guest for his professional accomplishments and contributions to the discipline.

Other highlights included the felicitation of Mr. Satyam Jha for his outstanding performance in GATE 2025, the release of the department magazine BufferedReader v7.1, and the launch of the SARC website.

The cultural segment featured soulful performances under Swaralipi, mesmerizing dances in Nrityanjali and Nrityamitra, instrumental renditions in Raga Reprise, and vibrant acts under CSE Got Talent. Laughter echoed through a stand-up performance in Laugh Lines.

A major highlight was a TechTalk by alumnus Mr. Mohit Jain, Co-founder of Hyphen and mCaffeine, who spoke on “From College to Corporate: What Really Matters”. Sharing his journey from IIT (ISM) Dhanbad to building businesses with revenues crossing ₹500 crore, he inspired students with insights on entrepreneurship and career growth.

The event also featured felicitation ceremonies for competition winners across Codessey 1.0, Codesshe 1.0, Recruitathon 1.0, Rang-Kriti, Chitrakala, and cultural categories. The evening concluded with a vote of thanks by the CSES Vice President, Anil Kumar, marking the end of a memorable celebration that showcased the academic brilliance and creative spirit of the CSE fraternity.
