PRESS RELEASE

Week long Continuous Professional Development (CPD) programme for executives of Odisha Mining Corporation Ltd (OMC Ltd) on Advanced Mining Technologies and Personal Effectiveness organized by TEXMiN, Mining Technology Innovation Hub of IIT (ISM) takes off.

A week long Continuous Professional Development (CPD) Programme for executives of Odisha Mining Corporation Ltd (OMC Ltd) on Advanced Mining Technologies and Personal Effectiveness, organized by TEXMiN, Mining Technology Innovation Hub of IIT (ISM) took off today at 5th floor on Institute Innovation Hub (i2h) tower of the institute .

The programme developed and customized to meet the needs and interest in receiving training in specific disciplines of Mining & Allied engineering was inaugurated in the morning by Mr Sabyasachi Mohanty, Director (Technical), OMC Ltd in presence of Mr Alok Pal, Director (Human Resource) as Guest of Honour; Prof JK Pattanayak, Director IIT (ISM); Prof Dheeraj Kumar, Deputy Director, IIT (ISM); Suraj Kumar, CEO TEXMiN and Prof Sagar Pal, Dean (R&D).

The training consists of expert lectures in online and offline mode, interactions, activity based and problem solving oriented sessions using learning material coming from the onsite experience.

The training during which altogether 20 Senior Executives including 15 of Mining Engineering & 5 of Geology are being trained by faculty members of IIT (ISM) and experts of TEXMiN and its Industry partners serves as an opportunity for the participants to not only get knowledge but also to interact, discuss and connect.

Speaking during the occasion chief guest, Mr Sabyasachi Mohanty said, "The sessions during the CPD will help the participants to explore the various aspects of Advanced Mining Technologies and its synchronization with their personal effectiveness enhancement"

Mr Alok Pal, Director (Human Resource) on other hand exhorted the participants to take full benefit of the CPD programme for gaining knowledge and also for own professional Development.

Prof JK Pattanayak, Director, IIT (ISM) while lauding the effort of TEXMiN in organizing the CPD said such programme help to further strengthen and academia institute ties which in turn will help to benefit both.

Prof Dheeraj Kumar, Deputy Director, IIT (ISM) said, "With regularly changing technology it is imperative upon the executives to keep in touch with the latest happening on technology front and such programs help to serve the purpose"
