

The Scheme of Research Fellowships in DRDO

DRDO is having a scheme to offer Research Fellowships to provide opportunity to bright, young talents to carry out research work leading to earning of higher qualification or to acquisition of research experience. These Fellowships are available for a limited period and give no claim whatsoever to Research fellows for regular employment in DRDO.

Selection of Research Fellows is carried out by Director of the Laboratories/ Establishments of DRDO. Advertisement for award of Fellowships is published in leading national daily, Employment News and DRDO website. Selection process consists of interview in which candidates are assessed their aptitude for research work, clarity of concepts, spirit of Scientific enquiry, analytical reasoning, range of scientific and technical knowledge, and capacity to application of knowledge, etc. Candidates who have passed national written test NET/ UGC/ GATE are given preference.
